# Douglas P. Sosnowski, CPA/ABV, ASA, CFF

Director | dsosnowski@briscon.com | 716-856-3428 x177

Doug is a director of Brisbane Consulting Group and has experience providing Business Valuation, Forensic Accounting, Litigation Support Services, and Investment Advice to clients in Western New York, Long Island and New York City. With more than twenty-five years experience, Doug works closely with attorneys involved in business valuation cases, commercial damage lawsuits and matrimonial disputes, providing expert testimony and advice.

Doug has testified as an expert witness in courts throughout New York State on a wide range of valuation cases, and takes great pride in crafting credible and defensible opinions that hold up even under rigorous cross-examination.

He has experience consulting with publicly traded entities and valuing a variety of closely held companies in connection with mergers, acquisitions and divestitures, business combinations, matrimonial disputes, estate and gift tax planning, ESOPs and purchase allocations. Doug is also a financial advisor who has experience structuring investment portfolios and financial plans for individuals and retirement accounts.
