

Michael J. Grimaldi
CPA

Partner

mgrimaldi@LumsdenCPA.com

Mike is the Firm's auditing and accounting technical expert responsible for the Firm's quality control and inspection of all financial statements issued. In addition, Mike is a leader in the assurance division providing auditing, accounting, financing, and business advisory services for a variety of organizations, including commercial businesses, health care institutions, and nonprofit organizations. He also helps coordinate all continuing professional education programs for Firm personnel. Mike joined Lumsden McCormick in 1990 after six years with an international accounting firm; he was named partner in 1998.
